

CLIENTS AND TESTIMONIALS

What People Are Saying:

“I was blown away by Lauren’s passion, infectious attitude and professionalism. Lauren was able to electrify the audience, and set the pace for our animated event. We have a wide array of attendees. Lauren was able to engage all of the audience with ease, and because of her expertise, our audience was able to enjoy every aspect of the event. We look forward to having Lauren again!”

Devin Carter, Chairperson – Touch-A-Truck Annual Gala 2016 - Overland Park, KS

“Lauren is a unique combination of an excellent communicator, offering relevant content and bottled sunshine. She is not to be missed!”

Lisa Allen, RelInventU, EWomen Network, Olathe, KS

“We all walked out the door that day with information that we could immediately put in place in our business and in our life. Although it was so much fun, it wasn’t just a “rah-rah” session, it was a workshop focusing on real communication skills that all attendees can use.”

Jan Moses – Ind. Sales Director, Chandler, AZ

“Lauren was informative, entertaining, insightful and offered practical concepts they were able to apply immediately. I’ve seen a real difference in how they communicate with both their agents and customers.”

Jean Burke, State Farm Insurance, Concordville, PA

“I have already had people tell me my communication has improved. With what I learned I am now able to tactfully, and with respect to the individual, get my point across and get things done. Everyone should learn from Lauren!”
